IMPORTANT NOTES ON EXHIBITING

If you have food/beverage samples or products, they must be pre-approved by show management and the facility.

If your exhibit includes a vehicle, Show Management must be informed so we can schedule a move in time. You must have a locking gas cap and you must disconnect the battery. Please leave the keys at the show office.

It is your responsibility to arrange to ship your exhibit to the show and back to your place of business, after the show is over. Please ship during the posted move-in/move-out hours only.

No trucks, signs or mobile signs of any kind will be allowed in the parking lot, once the show is open.

During move-in/move-out, please do not block the loading doors with your vehicle.

It is not permissible to have helium-filled balloons.

You are not allowed to solicit in the aisles.

Company mascots are welcomed and encouraged but must remain in the confines of booth space unless otherwise approved by show management.

Music or Audio

Should your exhibit include amplified sound of any kind, it must not encroach upon a neighboring exhibitor's ability to do business.

Sign Hanging

Should an exhibitor wish to raise or hang a sign above the 8' height that is allowed, this must be approved by show management in advance of move in. Should the sign be approved, it is the exhibitor's responsibility to arrange to have the sign hung or raised by our event contractor or an exhibitor appointed contractor, provided that contractor provides proof of insurance and names Master Promotions and it's appointed event contractor as an additional insured party. The sign must be single sided, and cleanly finished on the blank side so as not to encroach upon the adjacent exhibitor's booth.

IMPORTANT

Please do not block your neighboring booths with an 8' sidewall. No 8' sidewalls are permitted past 6' from your back wall, without permission of Show Management.
